

Transitional Bridges Compassion Kits

Healing Begins With Compassion

BELONGINGS BAG

Art-inspired bags are eco-friendly and constructed of 80 gsm 100% non-woven polypropylene. Bags have reinforced 26" handles with Velcro closure on the top center. Dimensions are 15" H x 20" W x 5 3/4" D. Optional adhesive bag labels for patient information are available.

DOOR HANGER

Door hangers posted at patient rooms suggest the area is a quiet zone and help to protect family privacy during the final hours of life. Hangers are printed on sturdy 14-pt card stock, 3.5" x 8.5", with a glossy UV coating front and uncoated back.

SYMPATHY CARD

Place cards in bags for family members at the bedside or mail them as bereavement follow-up. Sympathy cards are 4" x 5.5" with a standard matte finish. The inside message reads, "With caring thoughts and sympathy for your loss." Cards and door hangers are available in Spanish.

SEED PACKET

Include a Memory Garden Seed Packet when handing over patient belongings to receiving family members. Family members can plant a beautiful wildflower garden in memory of their loved ones. Flowers will bloom in all regions of the United States.

ABOUT US

Transitional Bridges has experience navigating end-of-life and loss from both the perspective of a professional who has worked in the healthcare industry and as a daughter. We sought to find answers to this experience and discovered best-in-class programs across the globe that serve as the foundation of our program.

At the core of our offering are Compassion Kits. Our kits include Transitional Belongings Bags, Door Hangers, and Sympathy Cards. We also offer an optional Memory Garden Seed Packet.

Transitional Belongings Bags are designed for hospitals and in-patient hospice facilities to respectfully transfer personal belongings to the family after a patient has passed away.

WHY PARTNER WITH US

- Improve the quality of end-of-life care.
- Enhance patient experience for family members.
- Compassion Kits provide healthcare professionals with tools to elevate care during the final moments.
- Transitional Belongings Bags are a compassionate and dignified alternative to plastic belongings bags.
- Eco-friendly bags replace single-use plastic bags and decrease plastic waste generated.
